Dear Colleagues,

## **NURSING OFFICER FOR OLDER PEOPLE SECONDMENT OPPORTUNITY**

The competition to recruit a Nursing Officer for Older People within Chief Nursing Officer Group (CNOG) in the Department of Health (DoH), closes on Monday 15 April at 3pm. I am writing to ask that you strongly encourage all eligible staff within your organisations to consider applying.

This secondment offers a unique opportunity for the post holder to gain new skills, knowledge and experience while having a significant impact on the development of DoH policy and strategy which will ultimately improve outcomes for older people in Northern Ireland. Through each CNOG secondment, we intend to not only address an immediate key area of need, but to provide an opportunity for individuals to enhance their professional development and contribute to the overall growth and improvement of our Health and Social Care system.

Thank you for your continued efforts in promoting all CNOG secondment opportunities. I am confident that with your support we can find the best candidate for this important post.

Yours Sincerely,

**MARIA McILGORM**  
Chief Nursing Officer
