BFS MONTHLY TRAINING

By: Val Hermoso

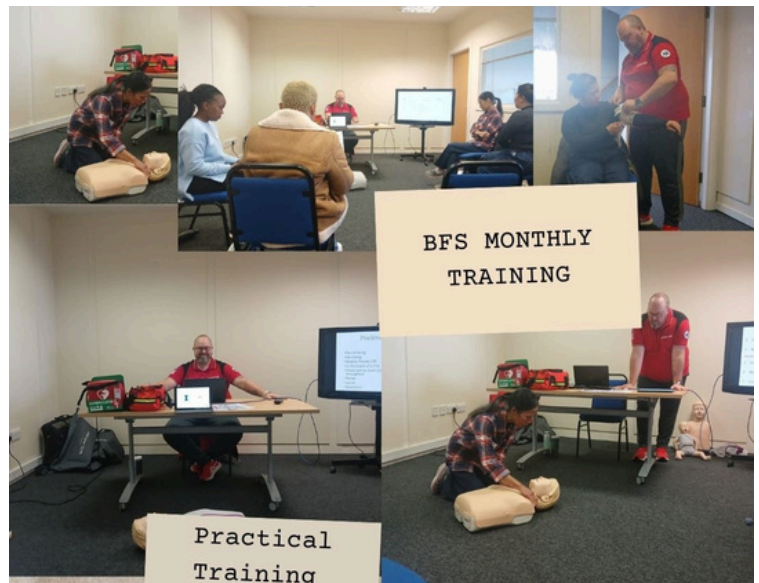

At BFS Healthcare, we're dedicated to providing top-quality care, ensuring the safety and well-being of both patients and staff. To support this commitment, we're pleased to offer Manual Handling and Basic Life Support (BLS) Training with expert instructor Manuel Carta. These training sessions will equip our team with critical skills for safe patient handling and effective emergency response, further enhancing the care we provide.

In response to demand, we are now expanding our training availability by adding additional sessions each month. This ensures that all our staff can benefit from continuous learning and skill enhancement, maintaining the highest standards of care in our services

Staff have successfully completed Induction Training, equipping them with the essential knowledge and skills to provide safe, compassionate, and high-quality care. This comprehensive program covers key areas such as patient safety, organizational policies, safeguarding, and effective communication, ensuring that each team member is fully prepared to uphold our standards of excellence from day one. With a significant number of new staff members joining the team, the induction process plays a crucial role in aligning everyone with our organizational values and expectations. This influx of new talent, combined with a robust training foundation, strengthens our capacity to deliver exceptional care and meet the evolving needs of our service users.

DEPUTY MANAGER'S MESSAGE

By: Roy Galit

As we approach the end of the year, I want to highlight some exciting upcoming events that will enhance our professional development and strengthen our team spirit at BFS Healthcare.

First, we are proud to partner with the Filipino Nurses Association – UK for the 1st Career Development Conference in Northern Ireland on November 2, 2024. This conference is a fantastic opportunity for all of us to gain insights from industry experts and network with fellow professionals. I encourage everyone to attend and make the most of this valuable experience.

In addition to the conference, our induction and training programs will continue to play a crucial role in our staff development. We are committed to providing comprehensive support to all team members, so please take advantage of the upcoming training sessions designed to enhance your skills.

Finally, I'm excited to remind you about our upcoming Christmas party! It will be a great occasion to celebrate our achievements and enjoy each other's company.

Thank you all for your dedication to excellence in healthcare.
